

MODEL ATF™ PLUS Feeder

Proven Reliability PLUS Added Strength and Size for Today's Bigger Birds

Let's grow together®

Chore-Time's MODEL ATF™ PLUS Feeder retains all the reliability, ruggedness, and quality that the industry has come to appreciate about Chore-Time's famous MODEL ATF™ Feeder, PLUS even greater benefits for you:

- Proven durability for use with turkeys of 45 pounds (20.4 kg) and up.
- Better feed conversion – wide feed saver lip and feed saver ring help retain feed in pan, while larger pan-to-shield opening encourages birds to keep their heads in the feeder for less feed spillage.
- Save labor when flooding pans or lowering feed levels with Chore-Time's time-tested central winching system.
- Better feed flow for today's high-fat feeds is provided by the combination of Chore-Time's large-diameter, welded-seam tube and easy-to-clean plastic pan.

(A) Tube is two inches (51 mm) higher – big turkeys walk under the feeder line more easily.

(B) Turkey tough connection from shield to pan support.

(C) Two inches (51 mm) more eating space between pan and shield means birds have easier access to feed and waste less.

(D) Heavy-duty feeder includes thicker pan supports that lock the feed pan in place.

Chore-Time's MODEL ATF™ PLUS Feeder is shown here in the most popular combination with green plastic feed cone and red pan.

Count on Chore-Time for experience, reliability, performance and confidence.

MODEL ATF™ Feeder Combinations

		Metal Cone	Green Plastic Cone
MODEL ATF™ PLUS Feeder	Red pan	X	X
	Green pan	X	X
Original MODEL ATF™ Feeder	Red pan	X	X
	Green pan	X	X

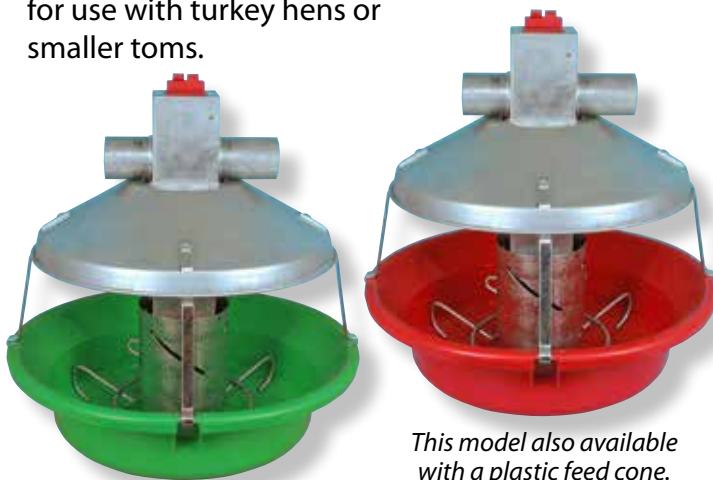

Chore-Time's MODEL ATF™ PLUS Feeder

Chore-Time's MODEL ATF™ PLUS Feeder is available in a variety of configurations:

- Chore-Time's MODEL ATF™ PLUS Feeders feature more head room for larger turkeys and are available in the configurations shown here.

- Chore-Time also has the original MODEL ATF™ Feeder – the shorter "original" feeder is ideal for use with turkey hens or smaller toms.

This model also available with a plastic feed cone.

Easy to Adjust Feed Cone Settings

The plastic cone for either of Chore-Time's Adult Turkey Feeder models features clear, easy-to-adjust feed level settings.
